

ESG / Sustainability Disclosure Questionnaire

Blank Response Template

Instructions

Please complete each item in the Response column. Where a question requires data (e.g., emissions, headcount, financial figures), provide the figure with units and the reporting period. Where a narrative response is requested, keep it concise and reference supporting documents where relevant.

Confidence levels: HIGH (verified, audited), MEDIUM (internal management report), NONE (not yet available).

Respondent Information

Entity name	
Reporting period	
Respondent name & title	
Date of completion	
Contact email	

1. General Information

No.	Topic	Question	Response
F1	Reporting entity legal name	What is the legal/registered name of the reporting entity?	
F2	Trading name / ticker	What is the trading name / ticker symbol of the entity?	
F3	Headquarters address	What is the registered headquarters address?	
F4	Reporting period	What is the reporting period covered by this disclosure?	
F5	Reporting standards / frameworks referenced	Which sustainability reporting standards/frameworks does the report follow (e.g., GRI, TCFD, UN SDGs)?	
F6	Charter capital and outstanding shares	What is the entity's charter capital / paid-in capital and number of outstanding shares?
